

The diagram is enclosed in a thick black rectangular border. On the left side, there is a vertical white rectangle with a thin black outline. To its right, the main area is divided into three horizontal sections. The top section is light green and contains the text 'Landing Position After Clearing Wall [High Chance]'. The middle section is light yellow and contains the text 'Landing Position After Catching Wall Edge [Moderate Chance]'. The bottom section is light red and contains the text 'Landing Position After Rolling [Low Chance]'. The right half of the entire diagram is a solid light red rectangle.
